MEMORANDUM FOR: CHIEF, D/Pub, ORE

SUBJECT : Daily Digests of ORE Divisions

25X1A9a

1. In accordance with conversation between [REDACTED] and [REDACTED] an expression is requested as to the advisability of OPC receiving the daily digests of comment put out individually by ORE Divisions.

2. It is recognized that subject papers by no means represent the considered opinions of ORE and have been held within ORE for that reason. On the other hand, desk level discussions between area specialists in our respective organizations have brought out that information of the type in which OPC is interested more or less frequently appears in subject papers, but is omitted from the more finished utterances of ORE as being unsuitable for inclusion therein.
